SOUTH WEST CREATIVE TECHNOLOGY NETWORK

PROFESSIONAL SERVICES SUPPORT

If you are a member of the South West Creative Technology Network (SWCTN) we have a new programme of Professional Services Support available to you and delivered in the South West! The University of Plymouth has teamed up with legal firm TLT and financial services firm Saffery Champness to deliver these core areas of business advice:

- Legal Services
- Intellectual Property
- Accountancy Services
- Access to Finance

If you are interested in becoming a member of SWCTN please visit www.swctn.org.uk and sign up to the newsletter.

Funded by:

**Research
England**

How to Access this Support:

Professional Advice Days:

These day-long events will feature presentation sessions covering each area of support followed by 1:1 bookable surgeries with our professional service providers. We will run 5 events throughout the South West to include Falmouth, Plymouth, Exeter, Bath and Bristol.

If you are interested in attending and want to be informed of the dates for these, please email swctn@plymouth.ac.uk

1:1 Consultations:

You will also be able to benefit from one free 30 minute face to face or over the phone consultation in all four areas, gain access to valuable online support tools and receive discounted rates for ongoing support.

To arrange an appointment please email: TLT for Legal and IP swctn@TLTSolicitors.com
